Background on AAME DC Solutions

AAME DC Solutions is a certified Service-Disabled Veteran Owned business offering administrative office support, project management consulting and staffing, marketing and low-code IT solutions to federal, state and local customers.

In June 2018, Mr. John Pires engaged the District of Columbia Small Business Development Center (DC SBDC) at the Anacostia Economic Development Corporation (AEDC) service center to establish his business in the District of Columbia.

Recent Developments

AAME DC Solutions, LLC – Through the one-on-one business consulting provided by the DC Small Business Development Center at AEDC, Mr. John Pires was assisted in registering his business with the Department of Consumer and Regulatory Affairs (DCRA), obtaining his DUNS number, identifying business location, developing a comprehensive business plan, capability statement, financial projections and in the preparation of his application for Service-Disabled Veteran Owned Small Business (SDVOSB/VOSB) Certification and Certified Business Enterprise (CBE).

In March 2019, Mr John Pires obtained his SDVOSB/VOSB Certification from the U.S. Department of Veterans Affairs (VA).

Mr John Pires participated in the AEDC Class of 2019 “Empowering Small Business Development & Innovation” program where he developed his marketing plan, build a business website as well as learned Quickbooks.

AAME DC Solutions is currently in the application review process seeking CBE Certification as well as pursuing local and federal contracting opportunities.

Mr. John Pires would like to thank the SBA, DC SBDC, and especially AEDC for their assistance and support. It is greatly respected and appreciated.
